Conflict and Change in Political Economy: Globalization, Social Movements, and Social Theory (2012)

The Social Functions of Social Conflict

The Social Functions of Social Conflict

The Social Functions of Social Conflict

The Social Functions of Social Conflict

Social theory is an essential tool for understanding the dynamics of social change and the role of conflict in shaping society. This book offers a comprehensive exploration of the social functions of conflict, including its impact on social order, social change, and social conflict. Through a combination of theoretical analysis, empirical research, and critical reflection, the authors examine the complex interplay between conflict and social change, highlighting the ways in which conflict can both disrupt and transform social structures and processes. This book is an indispensable resource for students, scholars, and practitioners interested in social theory, sociology, political science, and related fields. Whether you are a seasoned scholar or a budding researcher, this book offers a wealth of insights and ideas to help you make sense of the complex realities of social change and conflict today.
